#### April 2017 Minnesota Tribal Environmental Committee (MNTEC) Meeting

On April 26, J. Manville participated in the quarterly meeting of the MNTEC hosted by the Fond du Lac Band in Cloquet, Minnesota. Nine tribes, one inter-tribal organization, and MPCA also participated in the meeting. The principle agenda items included: rolling out an air quality forecasting initiative by MPCA, identifying potential tribal collaboration projects with the Minnesota environmental justice advisory board, presentation by the “We are Water MN” non-for-profit interested in developing community engagement projects with tribes on water issues, and a presentation by the Midwest Tribal Energy Resource Association on establishing an inter-tribal technical assistance energy providers network. General updates were provided by EPA, MPCA, and representatives from EPA-Tribal workgroups.

#### Technical assistance to tribal and EPA staff

- \* J. Entzminger (SFD) – 3 requests to confirm Indian country status of facilities selected for inspections
- \* M. Moudry (USIC) – information related to EPA outreach on “Implementing EO 13777 Enforcing the Regulatory Reform Agenda”

#### Routine conference calls/meetings

- \* TIAO staff meeting
- \* Tribal Disaster Debris Workshop planning call
- \* Haskell Lake Petroleum Contamination Site conference call

#### Administrative and other activities

- \* Attended national tribal outreach call “Implementing EO 13777 Enforcing the Regulatory Reform Agenda”
- \* Conference call with Davis and Samardzich to discuss GAP funding issues paper
